JOIN THE RACE
CHANGE THE GAME

**THE BIG
GOLF RACE**

What is the Big Golf Race?

The Big Golf Race isn't your typical round on the course—it's a big day out where every swing makes a real difference. Your 36, 72, or ultimate 100-hole challenge will be driving crucial change for men affected by prostate cancer.

Each pound you raise will help blaze a trail to a future where every man is invited for regular, accurate tests to catch prostate cancer early enough for a cure. We're closer than ever, but it's your skill and determination that will help us go the distance and change the game for men.

Until we reach that goal, your time on the course will raise awareness of the most common cancer in men. Every swing, every round, and every moment with friends will spark conversations and encourage men to check their risk today—so they can find prostate cancer early enough to be cured.

If you can go the distance, we can too.
