VLO
TECHNOLOGY

HYBRID GOLF BAG

VLO Technology represents the evolution of the golf bag into a pure 'hybrid' form - The stand system has been lowered and re-balanced, which allows for the top bracket on the golf trolley to 'grab' the bag without being impeded by the stand system.

RIDGE LINE³

VERTICAL FIT TECHNOLOGY

VFT comprises of a fully adjustable 'slide and lock' bag bracket which is designed to fit any sized golf bag from the largest Tour bag to a junior bag.

SUN MOUNTAIN

CUSTOM EMBROIDERY - REPRESENT YOUR CLUB, TEAM OR COMPANY

Sun Mountain have a long history of introducing innovative golf equipment that is as refined in design as it is golf-minded in function.

Imagine having your Company Logo, Golf Club crest or even your name on one of these fantastic bags and travel covers.

This can be a reality with our custom embroidery.

With a standard 'set up' and 'stitch count' fee for single logos, tonal logos to match in with the colours of the bags, and the chance to add names and wording for a nominal fee, we feel our custom embroidery service is second to none.

Custom embroidery is a fantastic way to advertise corporate or charity events, to personalise your golf bag, or to promote your golf club

Please contact your Brand Fusion agent for further details of our embroidery & screen printing service.

N.B. Nearly all Sun Mountain branded bags can be embroidered. We also stock a range of bags without the Sun mountain logo should you wish your own logo to be prominent on the bag.

For Custom Embroidery enquiries, please call Brand Fusion sales on 01372 373 237
