

SPORTS SPECIFIC PRODUCTS

Back 9 fatigue affects 95% of golfers, so SSP have created a golf performance energy bar which will keep golfers energised and focused through their round so that they can perform at their best

- Delicious and packed with a unique multi-stage formula of simple and complex carbohydrates
- Delivers energy to your body so it can be used when you most need it
- Carefully handmade with delicious combinations of oats, fruits, berries and chocolates
- Each bar has been developed with the demands of the golfer in mind
- Slowly release energy and fuel you through the back nine
- Available in counter-top boxes in a wide range of flavours, 24 bars per box
