EXCEPTIONAL
VALUE FOR MONEY

Designed for golfers who demand the best, these grips deliver extreme traction and an ultra-tacky feel in all playing conditions.

- Premium elastomer water-repelling golf grips
- Proprietary elastomer formulation is specifically crafted for maximum grip
- Seamless 360° design for unparalleled feedback and control
- X-Treme texture; offering excellent traction & keeping the club secure in the hands through the entirety of the swing
- 100% waterproof and suitable for all weather conditions
- Available in a large range of colours
- Available in standard, midsize, and jumbo to suit exact hand sizes

Specifications:

X-Tech grips are engineered to deliver a unique performance profile, offering a clearly differentiated fit and feel across sizes:

- Standard size features a classic, normal taper for a traditional feel
 - Midsize & Jumbo sizes are engineered with reduced taper design; as the grip diameter increases, the taper is strategically minimised to enhance grip consistency and promote greater control
- Standard: 56.5g
 - Midsize: 71g
 - Jumbo: 85.5g
